

# Cindy's Dance Studio

## **FALL NEWSLETTER**

**Thank you for being a part of Cindy's Dance Studio!**

We are looking forward to another wonderful year! We are extremely excited that there are many new faces joining us! We would like to thank both parents and students for your understanding, acceptance and support through our transition period as we renovate our new home for Cindy's Dance Studio. *This is greatly appreciated! Thank you!* Also, with the amount of children we have in our studio it is extremely important that we all encourage the importance of safety in our children. We are very lucky to have such a wonderful group of children but as always *Safety* first. Although we have addressed the below in class please review a few safety precautions with your children...

- Do not go outside without an adult. *Please review your drop off/pick up situation with your child* so they do not feel the need to wait outside for you. I am only trying to keep your children as safe as possible while they are under our supervision.
- Holiday decorations are not for play. We want you to enjoy the holiday season but Ceramic figurines, Christmas lights, extension cords, etc. can be dangerous if your children are not informed properly. Please remind your children Do not touch. Thank you for your help and cooperation!

**\*Thank you for your attentiveness to your Tuition Payments.** Just a reminder... Monthly tuition is due the 1<sup>st</sup> of every month. If the payment is not made by the 10<sup>th</sup> please apply the \$10 Late Fee.

**\*Don't forget to make up any missed classes!!** Make up any missed classes (including holiday classes) anytime through out the year.

**\*Don't forget all Cook Book Fundraiser orders are due Friday, October 23<sup>rd</sup>**  
Distribution of products ordered will be Saturday, November 14<sup>th</sup> 7-8pm @ CDS
